

A Melting Pot of Nowadays

OUR CRAZY ADVENTURE

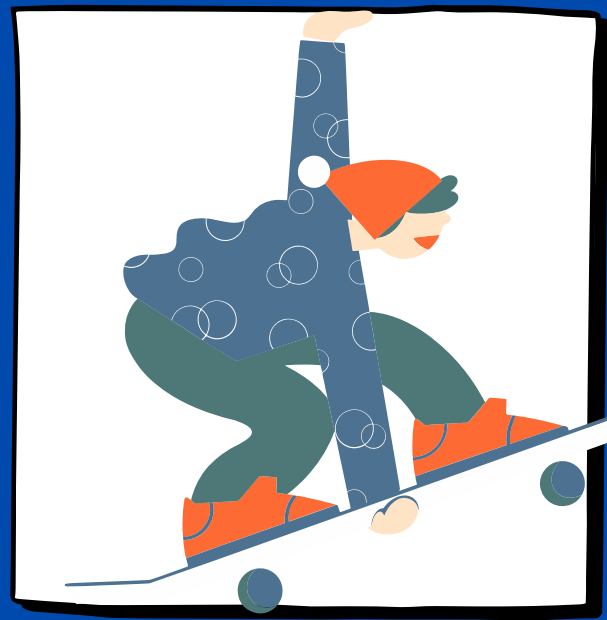

Co-funded by the

I'm
Sam.

I'm
Michael.

I'm
John.

A winter scene with a snowman on the left, a path leading through a snowy landscape, and a street lamp on the right. The background shows trees and a bright sky. A large, light blue, brush-stroke-like shape is overlaid on the scene, containing the text.

Sam, Michael and John are best friends.
They live in the same area. They go to
school together, they play together.

One day Sam,
Michael and John
were happily riding
their skateboards.

Do you want to
ride your
skateboard with
me?

Sure!

Is there anyone
else that is
going with us?

Yes, John is
going with
us!

Hello guys!
Let's race!

Let's go!

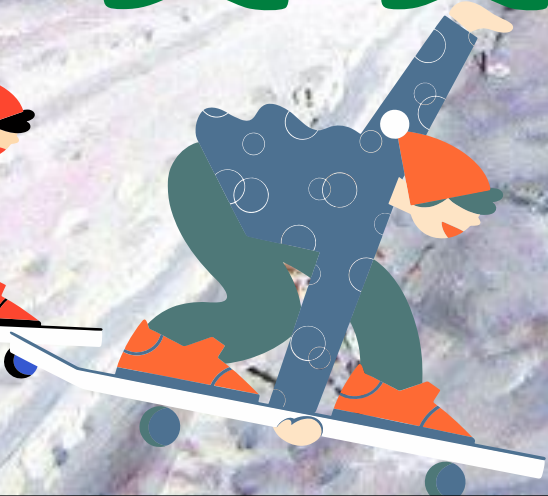

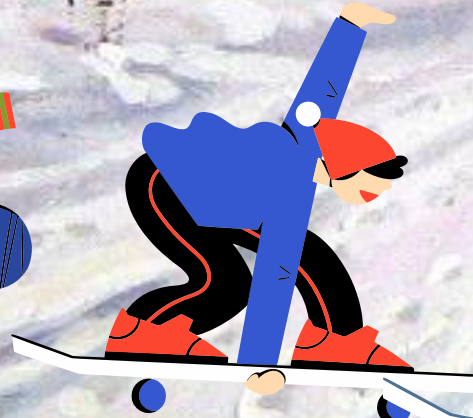

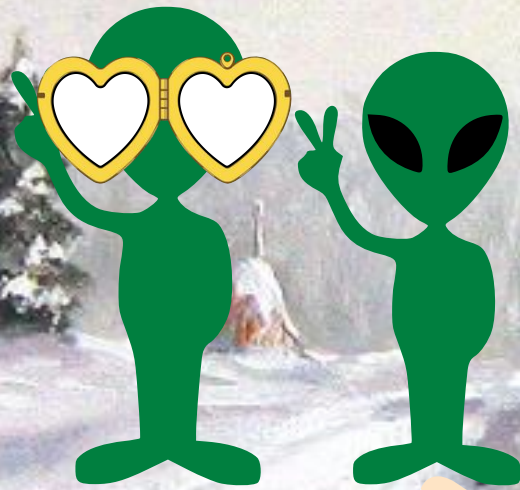

Guys! Wait! I see
something
strange!

What?

We came to conquer
the Earth!

They then escaped to a nearby school.

Quick! Let's escape!

They found a student
who told them where to
go next.

You should go to the
winter house!

Where should we
flee to next?

Then let's go!

They almost made it to the winter house when they found a polar bear just in front of the house.

At first they were terrified but Michael remembered the sandwich he had packed before.

He ate it!

Michael, quick! Give it your sandwich!

The polar bear then showed them a passage in the forest. The boys decided to follow it. After a while...

...they stumbled upon a strange looking structure that resembles some kind of a portal.

Should we step
inside?

We don't have any
other options.

The boys then entered the portal. They were transported to some kind of a wonderland. They were surprised at first, but then they got used to it. They were there for quite some time, but then decided to come back.

They only passed through this
wonderland and didn't stay for long.

What happend?
Where are the
aliens?

I don't kow, but
everything is magically
back to normal!

Let's not mention this ever
again!
